VOCABULARY MASTER GUIDE

Hinglish Explanation + Examples + Exam Logic

Vocabulary Syllabus Covered

Section	Topic
2.1	List of Words
2.2	Words Confused & Misused
2.3	Phobias
2.4	Manias
2.5	Prefixes & Suffixes
2.6	Analogies
2.7	Synonyms
2.8	Antonyms
2.9	One Word Substitution
2.10	Idioms / Phrases

Study approach: Har word ko sirf ratna nahi hai. Pehle meaning samjho, phir Hinglish idea banao, example dekho, related words compare karo aur finally MCQ mein use karo.

The supplied syllabus image is used for the section structure and page ranges. The word banks and examples below are structured preparation material for those headings, not a verbatim reproduction of unseen source pages.

SECTION 2.1 — LIST OF WORDS

Is section ka purpose: Ye tumhara basic vocabulary bank build karta hai. Exam mein word ka meaning, context, synonym, antonym ya correct usage poocha ja sakta hai.

Ek word ko kaise padhna hai?

- Word: exact spelling yaad karo.
- Meaning: ek simple English meaning samjho.
- Hinglish: apni language mein concept pakdo.
- Example: sentence mein word ka use dekho.
- Synonym/Antonym: related words connect karo.
- Trap: similar-looking word se confuse mat ho.

Word families: Ek base word ke different forms ko saath mein learn karne se memorisation kam hota hai.

Base	Noun	Adjective	Verb	Adverb
success	success	successful	succeed	successfully
decision	decision	decisive	decide	decisively

Question-solving method

- Sentence ka exact meaning samjho.
- Blank ko noun/verb/adjective etc. kya chahiye, check karo.
- Meaning relation check karo: possession, result, comparison, place, time, legality etc.
- Sirf spelling dekhkar answer mat choose karo.
- Completed sentence ko ek baar naturally read karo.

SECTION 2.3 — PHOBIAS

Vocabulary mein phobia ka use intense fear ya strong aversion ke sense mein hota hai. Exam ke liye teen cheezein yaad rakho: term + fear + root.

Phobia	Fear / aversion	Root cue
Acrophobia	Heights	acro = high
Claustrophobia	Enclosed/confined spaces	claustro = enclosed
Agoraphobia	Situations/places where escape or help may feel difficult	agora = open/public place
Arachnophobia	Spiders	arachno = spider
Hydrophobia	Water	hydro = water
Nyctophobia	Darkness/night	nycto = night
Glossophobia	Public speaking	glosso = tongue/speech
Xenophobia	Strangers/foreigners	xeno = stranger/foreign
Zoophobia	Animals	zoo = animals
Thanatophobia	Death	thanato = death
Astraphobia	Thunder/lightning	astra = celestial phenomena

Core distinction: Phobia = fear/aversion. Mania = excessive preoccupation/urge. Dono ko mix mat karo.

SECTION 2.4 — MANIAS

Vocabulary context mein mania ka meaning excessive enthusiasm, strong preoccupation, ya compulsive tendency ho sakta hai. Root ko identify karna MCQ mein fast method hai.

Term	Meaning	Root cue
Bibliomania	Books ke saath excessive passion/preoccupation	biblio = books
Kleptomania	Things steal karne ki compulsive tendency	klepto = steal
Megalomania	Power, importance ya grandiosity ka obsession	megalo = great/large
Dipsomania	Alcohol ki abnormal craving	dipso = alcohol
Pyromania	Fire set karne ki compulsive fascination/urge	pyro = fire
Graphomania	Excessive desire to write	grapho = writing
Erotomania	Romantic/sexual attraction se related obsessive preoccupation	eroto = love/desire

Fast recall: biblio → books → bibliomania; pyro → fire → pyromania; klepto → steal → kleptomania; grapho → writing → graphomania.

SECTION 2.5 — PREFIXES & SUFFIXES

Prefix word ke beginning mein add hota hai. Suffix word ke end mein add hota hai.

> Example: un + happy = unhappy → un- meaning 'not'. happy + ness = happiness → -ness quality/state ka noun banata hai.

Common Prefixes

Prefix	Meaning	Examples
un-	not/opposite	unfair, unhappy, uncertain
dis-	not/opposite/reversal	disagree, disconnect, dishonest
in-/im-/il-/ir-	not	inactive, impossible, illegal, irregular
re-	again	rewrite, reconsider, rebuild
pre-	before	preview, prepay, pretest
post-	after	postgraduate, postwar
anti-	against	antiwar, antibiotic, antisocial
auto-	self	autobiography, automatic
bi-	two	bicycle, bilingual
tri-	three	triangle, tricycle
mis-	wrongly/badly	misunderstand, mislead
co-	together/jointly	cooperate, coauthor
sub-	under/below	submarine, subconscious
super-	above/beyond	superhuman, supermarket
inter-	between/among	international, interact
trans-	across/beyond	transport, transcontinental

Common Suffixes

Suffix	Meaning/function	Examples
-ness	state/quality; noun	kindness, darkness, happiness

-able / -ible	capable of being	readable, visible
-ous	having the quality of	dangerous, famous
-ive	having the nature of	active, creative
-ly	usually forms an adverb	quickly, carefully

Unfamiliar word ko decode kaise karein?

- Beginning dekho: koi prefix hai?
- Ending dekho: koi suffix hai?

- Base word identify karo.
- Pieces ko combine karke rough meaning banao.
- Sentence context se verify karo. Prefix/suffix clue hai, guaranteed dictionary definition nahi.

SECTION 2.6 — ANALOGIES

Analogy mein main kaam words ko individually dekhna nahi, balki relationship identify karna hai.

A : B :: C : ? ka matlab hai: A ka B ke saath jo relation hai, wahi C ka answer ke saath hona chahiye.

Relationship	Example	Meaning
Synonym	rapid : fast :: tiny : small	Dono words nearly same meaning.
Antonym	hot : cold :: success : failure	Opposite relationship.
Worker : workplace	doctor : hospital :: judge : court	Person ka workplace.
Worker : tool	carpenter : saw :: writer : pen	Person ka tool.
Object : function	knife : cut :: pen : write	Object ka function.
Animal : sound	dog : bark :: cat : meow	Animal ki characteristic sound.
Part : whole	wheel : car :: page : book	Part belongs to whole.
Young : adult	calf : cow :: puppy : dog	Young form → adult.
Material : product	gold : jewellery :: wood : furniture	Material se product.
Cause : effect	exercise : fitness :: study : knowledge	First contributes to second.
Degree/intensity	warm : hot :: cool : cold	Intensity relation.

Analogy solve karne ke 4 steps

- First pair ka relation ek complete sentence mein bolo: 'Doctor works in hospital.'
- Same sentence structure second pair par apply karo.
- Har option ko same relationship se test karo.
- Sirf related word dekhkar answer mat choose karo; exact relationship same hona chahiye.

SECTION 2.7 — SYNONYMS

Synonym ka matlab hai same ya closely related meaning. Perfect synonym har sentence mein possible nahi hota, isliye context important hai.

Example: rapid → fast. Lekin synonym question mein best answer wahi hoga jo sentence ke meaning aur tone dono ko fit kare.

Word	Useful synonyms
Abandon	leave, desert, forsake
Abundant	plentiful, ample, copious
Accurate	correct, precise, exact
Brief	short, concise, succinct
Cautious	careful, wary, prudent
Commence	begin, start, initiate
Conceal	hide, cover, disguise
Conspicuous	noticeable, prominent, obvious
Diminish	reduce, decrease, lessen
Diligent	industrious, hardworking, assiduous
Evident	clear, obvious, apparent
Fragile	delicate, breakable, vulnerable
Generous	liberal, charitable, magnanimous
Hostile	unfriendly, antagonistic, aggressive
Impartial	fair, unbiased, neutral
Imminent	impending, near, approaching
Lucid	clear, intelligible, comprehensible
Meticulous	careful, painstaking, thorough
Obsolete	outdated, antiquated, outmoded
Pragmatic	practical, realistic, sensible
Reluctant	unwilling, hesitant, disinclined
Resilient	strong, adaptable, tough
Scrutinise	examine, inspect, investigate
Vague	unclear, imprecise, indefinite
Vigilant	alert, watchful, attentive
Viable	feasible, workable, practicable

Synonym question ka method

- Context diya hai to sentence pehle padho.
- Options dekhne se pehle rough meaning mind mein lao.
- Pehle obvious antonyms eliminate karo.
- Remaining options mein exact meaning aur tone compare karo.
- Sirf related word ko synonym mat samjho.

SECTION 2.8 — ANTONYMS

Antonym ka matlab opposite ya contrasting meaning. Har opposite same type ka nahi hota.

Type	Meaning	Example
Binary	Do contrasting states mein se ek	alive ↔ dead
Gradable	Scale par opposite ends	hot ↔ cold
Relational	Opposite relationships	buy ↔ sell
Directional	Opposite movement/direction	advance ↔ retreat

Word	Antonym
Abundant	scarce
Ancient	modern
Artificial	natural
Expand	contract
Permanent	temporary
Optimistic	pessimistic
Generous	stingy
Hostile	friendly
Victory	defeat
Transparent	opaque
Superior	inferior
Maximum	minimum
Include	exclude
Encourage	discourage
Reveal	conceal
Create	destroy
Accept	reject
Flexible	rigid
Complex	simple
Frequent	rare
Vivid	dull
Mandatory	optional
Reluctant	eager
Visible	hidden
Genuine	fake

Context trap: 'Light' ka opposite weight ke context mein heavy ho sakta hai, aur brightness ke context mein dark. Isliye exact sense identify karo.

SECTION 2.9 — ONE WORD SUBSTITUTION

Ek complete phrase/description ko ek precise word se replace karna = One Word Substitution.

Description	One word	Memory cue
One who loves books	Bibliophile	biblio = books
One who hates mankind	Misanthrope	mis = dislike, anthro = human

Spill the beans	Beans gira dena	Secret reveal karna
Bite the bullet	Bullet ko bite karna	Difficult situation bravely face karna
Under the weather	Weather ke neeche hona	Unwell feel karna

VOCABULARY REVISION SYSTEM

Vocabulary ka best revision sirf rereading nahi hai. Book close karke meaning recall karna zyada useful hai.

Stage	What to do
Read	10–15 new items meaning + one example ke saath padho.
Recall	Notes band karke meaning bolo.
Compare	Confused pairs, synonyms aur antonyms compare karo.
Apply	5–10 MCQs solve karo.
Revisit	Same items ko 1 day, 3 days aur 7 days baad recall karo.

Topic-wise method

Topic	Best method
List of Words	Word + meaning + context + related words
Confused & Misused	Pair banao + dono ke separate sentences
Phobias	Root → fear
Manias	Root → obsession/behaviour
Prefixes & Suffixes	Word ko parts mein break karo
Analogies	Relationship ko complete sentence mein bolo
Synonyms	Synonym families + context
Antonyms	Contrast pairs
One Word Substitution	People/places/beliefs/time categories
Idioms/Phrases	Idiom ko real-life situation se connect karo

Daily vocabulary routine

- 10–15 new words: meaning + Hinglish + example.
- 5 confused words: pair-wise revision.
- 5 synonyms + 5 antonyms: active recall.
- 5 one-word substitutions: phrase dekhkar word recall.
- 5 idioms: meaning + one situation.
- 5 MCQs: same-day application.

VOCABULARY EXAM STRATEGY

1. Synonym/Antonym

- Word ka exact sense identify karo.
- Context ho to sentence complete padho.
- Obvious opposite options eliminate karo.
- Closest exact meaning choose karo.

2. Confused Words

- Meaning check karo.
- Grammar role check karo.
- Possession/time/comparison/result/direction jaise clues dekho.
- Sentence ko naturally read karke verify karo.

3. Analogies

- First pair ka exact relation bolo.
- Same relation second pair mein apply karo.
- Broadly related option se bachna hai.

4. One Word Substitution

- Definition ka key phrase pakdo.
- Person/place/belief/time/process identify karo.
- Root clue use karo.
- Answer ko complete definition ke against check karo.

5. Idioms

- Literal meaning par mat jao.
- Established figurative meaning yaad rakho.
- Situation imagine karo.
- Sentence context se confirm karo.

QUICK SELF-TEST

Prompt	Recall
Synonym of reluctant?	unwilling / hesitant
Antonym of scarce?	abundant / plentiful
Fear of heights?	acrophobia
Excessive passion for books?	bibliomania
Prefix meaning again?	re-
One who loves books?	bibliophile
Break the ice?	start a friendly interaction
Twice a year?	biannual
Every two years?	biennial

Prompt	Recall
Wary vs weary?	wary = cautious; weary = tired

Final rule: Vocabulary ko isolated definitions ki list mat samjho. Word ko meaning + context + related word + example ke saath learn karo. Isi approach se unfamiliar questions ko bhi solve karna easier hota hai.
