VOCABULARY MASTER GUIDE

Hinglish Explanations | Examples | Exam Logic | Revision

Purpose of this guide
Vocabulary ko meaning, context, usage aur word relationships ke saath samjhaya gaya hai. Har topic ko step-by-step padhne ke liye structure kiya gaya hai.

Section	Topic
2.1	List of Words
2.2	Words Confused & Misused
2.3	Phobias
2.4	Manias
2.5	Prefixes & Suffixes
2.6	Analogies
2.7	Synonyms
2.8	Antonyms
2.9	One Word Substitution
2.10	Idioms / Phrases

Note: Neeche diya gaya material supplied syllabus headings ke according structured preparation content hai. Individual source-book pages ke exact word lists ko unseen hone par reproduce nahi kiya gaya hai.

SECTION 2.1 - LIST OF WORDS

Is section ka main goal ek strong vocabulary bank banana hai. Sirf dictionary meaning yaad karna enough nahi hota. Word ko sentence mein kaise use karte hain, uska synonym/antonym kya hai aur kaunse words se confuse ho sakta hai - ye sab samajhna useful hai.

Ek word ko kaise padhna hai

1. Word ko clearly read karo aur pronunciation observe karo.
2. Definition ko ek simple idea mein reduce karo.
3. Us meaning ka ek familiar Hinglish idea banao.
4. Example sentence padho aur dekho word kis context mein aa raha hai.
5. Kam se kam ek synonym aur ek antonym connect karo.
6. Common trap ya confused word note karo.

Word families

Ek hi base word ke noun, adjective, verb aur adverb forms aa sakte hain. Family samajhne se alag-alag words ratne ki zarurat kam hoti hai.

Base	Noun	Adjective	Verb	Adverb

SECTION 2.2 - WORDS CONFUSED & MISUSED

Ye words spelling ya sound mein similar ho sakte hain, lekin meaning ya grammatical use different hota hai. Exam mein distractor usually wahi option hota hai jo familiar lagta hai but sentence ke context mein wrong hota hai.

Pair	Difference	Example	Memory cue
Affect / Effect	Affect usually verb = influence. Effect usually noun = result.	Lack of sleep affects concentration. / The effect was visible.	Affect -> action; Effect -> result.
Accept / Except	Accept = receive/agree. Except = excluding.	She accepted the offer. / Everyone came except Arjun.	Receive/agree vs leave out.
Advice / Advise	Advice = noun. Advise = verb.	He gave useful advice. / I advise you to revise.	Advice = thing; Advise = action.
Principal / Principle	Principal = school head or main. Principle = rule or belief.	The principal spoke. / Honesty is a principle.	Principal -> person/main; Principle -> rule.
Compliment / Complement	Compliment = praise. Complement = complete/fit well.	She complimented my presentation. / The colour complements the design.	Praise vs complete/fit.
Stationary / Stationery	Stationary = not moving. Stationery = writing materials.	The car remained stationary. / I bought stationery.	Still vs writing materials.
Loose / Lose	Loose = not tight. Lose = misplace/fail to win.	The belt is loose. / Do not lose hope.	Loose has double o.
Then / Than	Then = time/sequence. Than = comparison.	Study first, then revise. / She is taller than me.	Time vs comparison.
Their / There / They're	Their = possession. There = place/existence. They're = they are.	Their books are there. They're ready.	Replace they're with they are.
Your / You're	Your = possession. You're = you are.	Your bag is here. / You're early.	Replace you're with you are.
Its / It's	Its = possession. It's = it is / it has.	The company changed its policy. / It's ready.	Apostrophe marks contraction.
Desert / Dessert	Desert = dry region or abandon. Dessert = sweet course.	They crossed the desert. / We ordered dessert.	Dessert has two s.
Elicit / Illicit	Elicit = draw out a response. Illicit = illegal/forbidden.	The question elicited a response. / Illicit trade was reported.	Response vs unlawful.
Emigrate / Immigrate	Emigrate = leave a country. Immigrate = enter another country to live.	They emigrated from India. / They immigrated to Canada.	From -> emigrate; to -> immigrate.
Farther / Further	Farther = physical distance. Further = additional/figurative extent.	The village is farther. / Further discussion is needed.	Distance vs additional.
Fewer / Less	Fewer + countable plural. Less +	Fewer students. / Less time.	Countable vs uncountable.

Pair	Difference	Example	Memory cue
	uncountable.		
Historic / Historical	Historic = important in history. Historical = related to history.	A historic decision. / Historical records.	Significant vs history-related.

Wary / Weary	Wary = cautious. Weary = tired.	Be wary of scams. / She was weary after travel.	Caution vs tiredness.

How to solve a confused-word question

1. Sentence ka intended meaning samjho.
2. Blank ko kis part of speech ki zarurat hai, check karo.
3. Exact relation identify karo: result, possession, comparison, place, time, direction, legality, etc.
4. Similar-looking but incorrect option eliminate karo.
5. Completed sentence ko ek baar naturally read karke verify karo.

Important exam habit
Sirf isliye answer mat choose karo kyunki word familiar ya spelling mein close hai. Meaning aur grammar dono match hone chahiye.

SECTION 2.3 - PHOBIAS

Vocabulary questions mein phobia generally kisi specific object, situation, place ya activity ke intense fear ya aversion ko refer karta hai. Best method hai: term + feared thing + root.

Term	Fear / aversion related to	Root cue
Acrophobia	Heights	acro = high
Claustrophobia	Enclosed or confined spaces	claustro = enclosed space
Agoraphobia	Situations/places jahan escape ya help difficult feel ho sakti hai	agora = open/public place
Arachnophobia	Spiders	arachno = spider
Hydrophobia	Water	hydro = water
Nyctophobia	Darkness/night	nycto = night
Glossophobia	Public speaking	glosso = tongue/speech
Xenophobia	Strangers/foreigners	xeno = stranger/foreign
Zoophobia	Animals	zoo = animals
Thanatophobia	Death	thanato = death
Astraphobia	Thunder/lightning	astra = celestial phenomena

Root se yaad kaise rakhein

1. Acro -> high -> acrophobia -> heights
2. Hydro -> water -> hydrophobia -> water
3. Arachn(o) -> spider -> arachnophobia -> spiders
4. Nycto -> night -> nyctophobia -> darkness
5. Glosso -> speech/tongue -> glossophobia -> public speaking

Phobia vs Mania
Phobia = fear/aversion. Mania = excessive preoccupation, enthusiasm ya compulsive tendency. Dono ko interchange nahi karna.

SECTION 2.4 - MANIAS

Vocabulary context mein mania kisi activity, object ya behaviour ke saath excessive enthusiasm, preoccupation ya compulsive tendency ko indicate kar sakta hai. Root-based learning yahan especially useful hai.

Term	Meaning	Root cue
Bibliomania	Books ke saath excessive passion/preoccupation	biblio = books
Kleptomania	Things steal karne ki compulsive tendency	klepto = steal
Megalomania	Power, importance ya grandiosity ka obsession	megalo = great/large
Dipsomania	Alcohol ki abnormal craving	dipso = alcohol
Pyromania	Fire set karne ki compulsive fascination/urge	pyro = fire
Graphomania	Excessive desire to write	grapho = writing
Erotomania	Romantic/sexual attraction se related obsessive preoccupation	eroto = love/desire

Root strategy

- biblio -> books -> bibliomania
- pyro -> fire -> pyromania
- klepto -> steal -> kleptomania
- grapho -> writing -> graphomania

Exam approach
Definition mein object/behaviour identify karo, phir root match karo. Ye full spelling ratne se fast hota hai.

SECTION 2.5 - PREFIXES & SUFFIXES

Prefix word ke beginning mein add hota hai. Suffix word ke end mein add hota hai. Inse word ka meaning ya grammatical form change ho sakta hai.

Example: un + happy = unhappy -> un- ka meaning "not". happy + ness = happiness -> -ness state/quality ko noun bana sakta hai.

Common prefixes

Prefix	Usual meaning	Examples
un-	not / opposite	unfair, unhappy, uncertain
dis-	not / opposite / reversal	disagree, disconnect, dishonest
in- / im- / il- / ir-	not	inactive, impossible, illegal, irregular
re-	again	rewrite, reconsider, rebuild
pre-	before	preview, prepay, pretest
post-	after	postgraduate, postwar
anti-	against	antiwar, antibiotic, antisocial
auto-	self	autobiography, automatic
bi-	two	bicycle, bilingual
tri-	three	triangle, tricycle
mis-	wrongly / badly	misunderstand, mislead
co-	together / jointly	cooperate, coauthor
sub-	under / below	submarine, subconscious
super-	above / beyond	superhuman, supermarket
inter-	between / among	international, interact
trans-	across / beyond	transport, transcontinental

Common suffixes

Suffix	Usual function / meaning	Examples
-ness	state or quality; usually noun	kindness, darkness, happiness
-ment	result/action; noun	development, achievement
-tion / -sion	action/result; noun	education, decision
-er / -or	person who does something	teacher, actor
-ful	full of	careful, useful, hopeful
-less	without	careless, hopeless, fearless

Suffix	Usual function / meaning	Examples
-able / -ible	capable of being	readable, visible
-ous	having the quality of	dangerous, famous
-ive	having the nature of	active, creative
-ly	usually forms an adverb	quickly, carefully

Negative prefix forms

in-, im-, il-, ir- ka basic idea often "not" hota hai, lekin spelling form change ho sakta hai: impossible, illegal, irregular. Inko examples ki family ke saath learn karna safer hai.

Unfamiliar word ko decode karne ka method

1. Beginning dekho: prefix hai?
2. Ending dekho: suffix hai?
3. Base word identify karo.
4. Pieces ko combine karke rough meaning banao.
5. Sentence context se verify karo. Prefix/suffix clue hai, guaranteed dictionary definition nahi.

SECTION 2.6 - ANALOGIES

Analogy mein words ko individually nahi, unke exact relationship ko identify karna hota hai.

Format
A : B :: C : ? ka matlab hai: A ka B ke saath jo relationship hai, wahi C ka answer ke saath hona chahiye.

Relationship	Example	What it means
Synonym	rapid : fast :: tiny : small	Nearly same meaning
Antonym	hot : cold :: success : failure	Opposite meaning
Worker : workplace	doctor : hospital :: judge : court	Person works in the place
Worker : tool	carpenter : saw :: writer : pen	Tool used by the worker
Object : function	knife : cut :: pen : write	Second word is function
Animal : sound	dog : bark :: cat : meow	Characteristic sound
Part : whole	wheel : car :: page : book	First is part of second
Young : adult	calf : cow :: puppy : dog	Young form to adult
Material : product	gold : jewellery :: wood : furniture	Material used to make product
Cause : effect	exercise : fitness :: study : knowledge	First contributes to second
Degree / intensity	warm : hot :: cool : cold	Increasing intensity

Analogy solve karne ke steps

1. First pair ka relation full sentence mein bolo: "Doctor works in a hospital."
2. Same sentence structure second pair par apply karo.
3. Har option ko same relationship se test karo.
4. Jo option sirf category mein related hai but relation different hai, usse reject karo.

Common trap
Doctor : hospital ka relation worker : workplace hai. Doctor se related koi medical instrument answer nahi banega, kyunki relation same nahi hai.

SECTION 2.7 - SYNONYMS

Synonym ka meaning hota hai same ya closely related meaning. Practical English mein perfect synonyms kam hote hain; context ke according best option select karna hota hai.

Synonym ke important levels

Type	Explanation	Example
Close synonyms	Many contexts mein almost same meaning	rapid - fast
Contextual synonyms	Particular sentence mein same idea, but always interchangeable nahi	bright = intelligent / shining
Register-based	Basic idea same, formality different	help - assist
Intensity-based	Related meaning but strength different	angry - furious

Word	Useful synonyms

Meticulous	careful, painstaking, thorough
Obsolete	outdated, antiquated, outmoded
Pragmatic	practical, realistic, sensible
Reluctant	unwilling, hesitant, disinclined

Word	Useful synonyms
Resilient	strong, adaptable, tough
Scrutinise	examine, inspect, investigate
Vague	unclear, imprecise, indefinite
Vigilant	alert, watchful, attentive
Viable	feasible, workable, practicable

Synonym question solve karne ka method

1. Context diya ho to sentence pehle padho.
2. Options dekhne se pehle rough meaning mind mein lao.
3. Obvious antonyms eliminate karo.
4. Remaining options mein exact meaning aur tone compare karo.
5. Sirf related word ko synonym mat samjho.

SECTION 2.8 - ANTONYMS

Antonym opposite ya contrasting meaning deta hai. Kuch opposites direct hote hain, kuch scale par hote hain aur kuch relationship ke opposite hote hain.

Type	Meaning	Example
Binary	Do contrasting states	alive - dead
Gradable	Scale ke opposite ends	hot - cold
Relational	Opposite relationships	buy - sell

VOCABULARY REVISION SYSTEM

Vocabulary ko baar-baar sirf reread karna effective nahi hota. Book/notes close karke meaning yaad karna aur phir use karna active recall hai.

Stage	What to do
Read	10-15 new items meaning + one example ke saath padho.
Recall	Notes band karke meaning bolo.
Compare	Confused pairs, synonyms aur antonyms compare karo.
Apply	5-10 MCQs solve karo.
Revisit	Same items ko 1 day, 3 days aur 7 days baad recall karo.

Topic-wise memory method

Topic	Method
List of Words	Word + meaning + context + related words
Confused & Misused	Pair the words + one sentence for each
Phobias	Root -> fear
Manias	Root -> object/behaviour
Prefixes & Suffixes	Word ko parts mein break karo
Analogies	Relationship ko full sentence mein bolo
Synonyms	Synonym families + context
Antonyms	Contrast pairs
One Word Substitution	People/places/beliefs/time categories
Idioms/Phrases	Real situation ke saath connect karo

Daily vocabulary routine

- 10-15 new words: meaning + Hinglish + example.
- 5 confused words: pair-wise revision.
- 5 synonyms + 5 antonyms: active recall.
- 5 one-word substitutions: description dekhkar word recall.
- 5 idioms: meaning + situation.
- 5 MCQs: same-day application.

VOCABULARY EXAM STRATEGY

Synonym / Antonym

1. Word ka exact sense identify karo.
2. Context diya ho to sentence complete padho.
3. Obvious opposite options eliminate karo.
4. Closest exact meaning choose karo.

Confused Words

1. Meaning check karo.
2. Grammar role check karo.
3. Possession, time, comparison, result, direction jaise clues dekho.
4. Final sentence naturally read karke verify karo.

Analogies

1. First pair ka exact relation bolo.
2. Same relation second pair mein apply karo.
3. Broadly related but different relationship wale options reject karo.

One Word Substitution

1. Definition ka key phrase pakdo.
2. Person/place/belief/time/process category identify karo.
3. Root clue use karo.
4. Answer poori definition ke against check karo.

Idioms / Phrases

1. Literal meaning par mat jao.
2. Established figurative meaning yaad rakho.
3. Real situation imagine karo.
4. Sentence context se confirm karo.

Quick self-test

Prompt	Expected recall
Synonym of reluctant?	unwilling / hesitant
Antonym of scarce?	abundant / plentiful
Fear of heights?	acrophobia
Excessive passion/preoccupation with books?	bibliomania
Prefix meaning again?	re-

Prompt	Expected recall
One who loves books?	bibliophile
