The vocabulary content in this practice set follows the topic areas previously established for preparation: List of Words, Words Confused & Misused, Phobias, Manias, Prefixes & Suffixes, Analogies, Synonyms, Antonyms, One Word Substitution and Idioms/Phrases. The individual syllabus page ranges supplied earlier contained headings/page references rather than the full word lists, so this practice set is preparation material built around those headings and is not presented as a transcription of the textbook pages.
