MHT-CET MBA/MMS — Daily Preparation Plan

Wednesday, 30 September 2026 | Progressive Practice Day

Today's approach: Vocabulary remains an active priority, while LR, AR and QA receive focused practice to keep preparation balanced. Focus on accuracy first, then speed.

Section	Today's Work	Q
Logical Reasoning	Focus: Coding-Decoding + Blood Relations. • Revise rules/patterns. • 10 Coding-Decoding quest	20
Abstract Reasoning	Focus: Series + Odd One Out. • Revise rotation, movement, count, position and symmetry patterns.<	15
Quantitative Aptitude	Focus: Percentages + Ratio/Proportion. • Revise percentage-fraction conversions and ratio rules.<br/	20
Verbal Ability / RC	Focus: Vocabulary + Sentence-level English. • Revise 20 studied words. • Revise 10 confused/m	15

Timed Practice Block — 30 Minutes

30 questions in 30 minutes, one sitting. LR: 8 questions / 8 min • AR: 5 / 5 min • QA: 8 / 9 min • VA/Vocabulary: 9 / 8 min. Stop when the timer ends and record the score.

Target: Attempt all 30. The official 2026 CET has no negative marking, so build the habit of making a best attempt rather than leaving questions unnecessarily blank.

What to Revise

1. LR — Coding-Decoding patterns and Blood Relation family-tree logic.
2. AR — Series rules, movement/rotation, counting and symmetry checks.
3. QA — Percentage conversions, percentage change, ratio simplification and proportion setup.
4. VA — Today's 20 vocabulary words + 10 confused/misused pairs.
5. Analyse every wrong/guessed question and write why the approach failed.

Today's Minimum Target

70 questions total including the timed block. Aim for 75%+ accuracy. If accuracy is below 75%, prioritise error analysis over adding extra questions.

5-Line Progress Check — Send This Back

1. Topics completed: _____
2. Questions attempted: _____ / 70
3. Correct answers: _____ / 70
4. Accuracy + timed-block score/time: _____
5. Doubts / difficult topics / questions: _____

Official CET Note

The latest official MAH-MBA/MMS-CET 2026 brochure specifies 75 Logical Reasoning, 25 Abstract Reasoning, 50 Quantitative Aptitude and 50 Verbal Ability/Reading Comprehension questions: 200 questions in 150 minutes, five options per MCQ, and no negative marking. No 2027 exam date is assumed.
